

Alaska Paraprofessional Qualifications Form

Directions:

1. Print the paraprofessional's name in the space provided.
2. Indicate method used to determine the requirements were met by checking appropriate box or boxes.
3. If using the standards checklist:
 - a. Indicate date ParaPro Assessment was passed in the appropriate box and attach the score sheet.
 - b. For each standard indicate date standard was met and how verified by district representative. Possible ways to verify the attainment of standard include: observation, interview, special training completed (include transcript or certificate of completion).
4. The form must be signed and dated by the paraprofessional and the district representative who verified the information. The district representative must print his/her name and title on the form.
5. The school and district where the paraprofessional is employed should keep a copy of this form to meet the requirements of NCLB. The paraprofessional may want to keep a copy of this form for his/her records.
